What is a mentor? A mentor is a person to provide guidance, a sounding board and one who assist in exploring solutions to problems. The staff/faculty/administration of CSC would like to provide a mentor to anyone who wishes to participate. Mentoring will be based mostly by email communication and one-on-one/group discussion from time to time. If you would like to become a part of the inaugural CSC mentoring program, please complete the below information and return it to the Student Services office or email bret tob@connorsstate.edu
