

Activate C-Key

It's time to activate your account with Connors State College! Using the information in the activation email you received in your personal email account that you provided on your Admissions Application, you can now activate your C-Key account. This will give you the capability to access your class schedule, add/drop classes, review your grades, check your CSC email, and much, much more. Here are the steps to activating it. Have a pen and paper handy so you can write your important information down as you go:

1. Go to ckey.connorsstate.edu - Select "Connors Account Activation" button to begin.

2. Enter your information in the next 5 boxes and then click the "Next" button.

Activate Your Connors Account
