STUDENT (REQUIRED)

Concurrent high school students must be eligible to satisfy the high school curricular requirements for college no later than the spring of their senior year. A high school student may enroll in a combined number of high school and college courses per semester, not to exceed a full-time college workload of 19 semester credit hours. For purposes of calculating workload, one-half high school credit course shall be equivalent to three semester credit hours of college work. A high school student must meet the following requirements for admission:

1. The student must complete an acceptable admission exam: Seniors and Juniors must have the equivalent of an ACT composite score of 19 and ACT of 19 in the area of enrollment **OR** a 3.00 GPA and a 19 ACT in the area of enrollment.
2. The student cannot enroll in zero-level or remedial courses.
3. A copy of the student's high school transcript, a current high school schedule with specific courses listed for concurrent enrollment, and exam scores must accompany the concurrent form.
4. A minimum 2.00 GPA on college courses is required for continued enrollment.

I have read and understand the provisions set forth by CSC and my high school for my concurrent enrollment. I understand that this is the starting point of my college academic career and agree to begin and end classes per published CSC dates. I also understand that I am responsible for attendance, assignments, tests, and final grades. I also understand that my enrollment is contingent upon final evaluation by the CSC Registrar of necessary criteria and submission of all official documents. I grant permission for my high school records office, upon its request, to receive my transcript at the end of the semester and to receive information concerning my grades and/or attendance from my college instructors or the Office of Academic Affairs.
