#### **EVALUATION OF MILITARY CREDIT**

Connors State College does not automatically award military credit to students at the onset of enrollment. A military credential evaluation is optional and has no bearing on admission into Connors State College. However, after a degree-seeking student is at Connors State College and earned 12 hours, he or she may request that the military record be evaluated in the Registrar's Office. Credit is evaluated using the ACE Guide for evaluation of military credit (Army, Navy, Air Force, and Coast Guard). No credit will be awarded based on Military Occupancy Specialty (MOS) which has not been held a primary duty assignment for a minimum duration of one year or more.

It is the responsibility of the student to provide the information below for evaluation. Evaluation will begin upon receipt of the following documents.

- (1) Military Training Evaluation Send a copy of your DD-214 or a DD-295
- (2) MOS Evaluation

Your current primary MOS can be reviewed for possible credit if you received an official evaluation within the last 12 months.

A student will not be certified for VA benefits after the first regular semester until the College's VA Certifying Officer has received the DD-214 and any other transcripts for evaluation.

Connors State College awards the credit listed below where appropriate to all veterans that have completed two years of active duty as verified by the veteran's DD-214.

HLTH 1113 Personal Health (3 credit hours) PHED 1112 First Aid (2 credit hours)

Students will be given Advanced Standing credit and charged \$10.00 per credit hour for the above hours. Credit earned is designated on the transcript by the letter "P".

#### **C-KEY E-MAIL**

C-Key is Connors' identity management system. You can use the C-Key system to manage your login credentials for all CSC electronic computing systems or to update your contact information. Your C-Key e-mail address serves as the official CSC communication medium. Via this e-mail address, you will continually receive official CSC correspondence, updates, billing notification, and emergency announcements as well as enrollment information. At the beginning of each semester, temporary help desks will be available to assist you with the C-Key account creation process at each of our campuses.

Students should consider proper etiquette as well as the student code of conduct when writing and submitting e-mail to instructors and staff members. Using profane or otherwise abusive language can have a negative impact on the student's standing in a course as well as at CSC, possibly bringing disciplinary action.

<u>DEGREE PLANS</u> - Degree plans will remain in effect provided the student has had <u>continuous</u> enrollment. Students who leave and then reenter will be subject to any new degree or general education requirements. Students should have two degree checks during their enrollment, completed in the Admissions Office, one at the 35 hour mark and one the semester prior to graduating. Only those degree checks performed in the Admissions Office will be considered official for graduation.

ACADEMIC FORGIVENESS POLICY - Students may repeat up to four classes (not to exceed 18 hours) of "D" or "F" grades in their entire academic career and have only the last grade earned used in the calculation of the retention and graduation GPA. In certain circumstances, students may apply for an academic reprieve for up to two consecutive semesters of course work. Students must apply for academic renewal for removal of all previous coursework. If repeating a course, it is necessary to complete a Request for Grade Repeat form in the Admission's Office. For more information regarding the Academic Forgiveness Policy, contact the Admission's Office or the CSC catalog.

ACADEMICALLY INELIGIBLE TO RE-ENROLL - If you enroll early, and are found to be ineligible by the Connors State College admissions/enrollment standards, the Admission's Office will notify you and your enrollment will be canceled. Should you become academically ineligible and wish to appeal the decision, the first step in the appeal process is to submit a letter of appeal to the Executive Vice President, Office of the President, Connors State College, Route 1, Box 1000, Warner, OK 74469 *immediately* for consideration for readmission.

<u>CLASS SCHEDULE CHANGES</u> – Changes in schedule during the add/drop period will result in full charges for courses added and full refund for courses dropped. Refunds will not be made until after the defined add/drop period.

<u>COLLECTION COSTS</u> – Unpaid accounts receivable may be assigned for collection. If an account is assigned, any collection costs, court costs, and/or attorney's fees owed will be added to the balance due. The balance due may be reported to national credit bureaus, which may adversely effect credit ratings. A hold will be placed on transcript records and future enrollment until the balance is paid in full.

Students who expect to complete degree requirements by the end of the spring 2012 term MUST contact the Admissions Office and (1) request a **Final Degree Check** prior to registering for the spring 2012 term and (2) complete an Application for Graduation before March 18, 2012 at the Office of Admissions and Records at the Warner or CSC Higher Education Center.

#### STUDENTS WITH FINANCIAL AID

Students who have returned a signed "Financial Aid Award Notification" from the financial aid office may have aid available for institutional charges. Financial aid funds will be applied toward your Bursar account including tuition, fees, books, supplies, fines, room and board before any overpayments will be issued.

To receive priority consideration for 2012, students seeking federal student aid MUST complete and mail the Free Application for Federal Student Aid (FAFSA) on-line no later than Friday, July 30, 2012. For additional information, contact the **Financial Aid Office**, 1st **Floor**, **Gatlin Hall**, **Warner Campus**, (918) 463-2931, Ext. 6310 or **Muskogee Higher Education Center Office**, (918) 684-5402 or <a href="https://www.fafsa.ed.gov">www.fafsa.ed.gov</a>

Financial aid recipients whose circumstances require that they withdraw from all classes are strongly encouraged to contact the CSC Financial Aid Office and their academic advisor before doing so. At that time, the consequences of withdrawing from all classes can be explained. The federal government requires that students who withdraw from all classes may only keep the financial aid they have "earned" up to the time of withdrawal. Title IV funds (except federal work-study) that were disbursed in excess of the earned amount must be returned by CSC and/or the student to the federal government. This situation could result in the student owing aid funds to CSC, the government, or both. The CSC Financial Aid Office staff can provide examples of return of funds calculations and further explain this policy to students or parents.

## **Blended Classes**

Blended classes combine conventional classroom meetings with independent study via the Internet and e-mail. Blended courses combine the benefits of face-to-face courses with that of online learning. Students spend less time in the classroom, and more time interacting through online communications technologies.

Students will communicate with instructors by e-mail or through Blackboard WebCT, especially if enrolled in an online or blended course.

Students should consider proper etiquette as well as the student code of conduct when writing and submitting e-mail to instructors and students in any course or online course. Using profane or otherwise abusive language can have a negative impact on the student's standing in the course as well as at CSC, bringing disciplinary action.

## Distance Education – ITV

The (ITV) code in the course listing denotes distance education classes that Connors is sending or receiving via interactive video. On-Line courses, available through the Internet, are also included in the schedule. Information about enrolling in distance education classes from other Oklahoma colleges and universities may be obtained by contacting Kristen Byers, CSC Distance Education Specialist, Muskogee Port Campus, (918) 684-5480 or email her at kbyers@connorsstate.edu

Students should carefully read each syllabus and identify e-mail guidelines that the instructor(s) may have concerning e-mail.

Students should consider proper etiquette as well as the student code of conduct when writing and submitting e-mail to instructors and students. Using profane or otherwise abusive language can have a negative impact on the student's standing in the course as well as at CSC, bringing disciplinary action.

## **Internet On-Line Classes**

Internet courses at Connors State College provide an alternative to those students who, for whatever reason, are unable to participate in traditional oncampus courses. Because these courses are delivered via the Internet, it is assumed that students enrolling in these classes:

- are self-motivated, self-directed and able to meet deadlines.
- have access to a computer and the Internet and possess basic Internet skills.
- are familiar with the MS Windows environment including file/folder manipulation.
- have basic computer application skills and are familiar with a word processor.
- are capable of sending and receiving e-mail.

Specific computer requirements may vary from course to course. Please consult with the instructor.

A list of the spring 2012 online classes that were scheduled at the time this schedule went to print can be found on page 12 along with the assumptions listed above, please consider the following before enrolling in an on-line class.

- 1. Some of the classes have mandatory on-campus orientation sessions. You must contact your instructor after January 9, 2012 but <u>prior</u> to the orientation if the session conflicts with another class or orientation.
- 2. Some of the classes have online orientations. Students should e-mail their instructors between January 9, 2012 and January 20, 2012 for instructions
- 3. Some of the courses have on-campus testing or activity requirements.
- I. Many of our Instructors use Blackboard WebCT as a Course Management System. These are marked on the list below. Please contact Kristen Byers at <a href="mailto:kbyers@connorsstate.edu">kbyers@connorsstate.edu</a> or 918/684-5480.

Students who enroll in Internet On-Line Courses are required to contact their instructor via e-mail. If a student fails to contact the instructor or complete the orientation he/she will not be allowed to participate in the course.

Students should consider proper etiquette as well as the student code of conduct when writing and submitting e-mail to instructors and students. Using profane or otherwise abusive language can have a negative impact on the student's standing in the course as well as at CSC, bringing disciplinary action.

## What's next? After you have enrolled in your spring classes.

Once you are enrolled in a class at Connors State College, please note the following:

- Make sure you have secured finances to pay for your tuition, fees, books, room and board for the spring term by securing financial aid through the Financial Aid Office, setting up a payment plan with the Bursar Office or contacting your paying agency concerning your charges for the term. An invoice for tuition and fees will be sent to you from the Bursar Office and can be viewed on the CSC website through Student Information Services. Tuition and fees are due on or before January 09, 2012.
- Once you have paid your tuition and fees or charged them through the Bursar Office, returning students will have their CSC ID card activated and purchase their parking decal; new students will have a CSC student ID card made and purchase a parking decal. You will need your license tag number to purchase your parking decal.
- If you will be receiving financial aid this semester, you should contact our Office of Student Financial Aid at 918-463-6220 (W) or 918-684-5402 (M) to be certain everything is in place.
- Activate your C-Key account. Your PIN number is available through the Admissions Office via your personal email address you provided at approllment.
- Your class schedule, along with your Bursar Account and financial aid award can be viewed/printed by visiting <a href="www.conorsstate.edu">www.conorsstate.edu</a> and clicking on <a href="www.conorsstate.edu">i</a>, Student Information Services.
- A copy of your schedule will be required to purchase your textbooks in the campus bookstores, Warner/Muskogee.
- To begin an online course at Connors State College, please follow the orientation instructions from our spring 2012 class schedule and/or contact your instructor. Attendance is mandatory for on-line class orientations.
- If you need technical support for C-Key or other CSC technology system issues, please contact the IT Systems Department Helpdesk via phone (918.463.6233), email (<a href="mailto:cschelp@connorsstate.edu">cschelp@connorsstate.edu</a>), or web (http://help.connorsstate.edu).
- For Blackboard/WebCT access, contact, Kristen Byers at kbyers@connorsstate.edu or 918/684-5480.

Please note that you now have an outstanding account with Connors State College due to your spring enrollment in classes. Additionally, you should note that Connors State College does not drop or withdraw students from classes for non-payment and/or non-participation. Should you decide not to attend Connors State College, you must cancel your enrollment in person or in writing to the Admissions Office by the deadlines as outlined in the "Important Dates" spring 2012 calendar in this schedule.

We are pleased to have you as a student at Connors State College. Should you have questions, please direct your inquiries to the pertinent offices:

## Final Degree Check and Applying for Graduation

What is the difference between graduation and commencement? GRADUATION is the term for completing your course of study at Connors State College and fulfilling all the requirements for your degree, as outlined on the degree plan.

**COMMENCEMENT** refers to the *ceremony* celebrating those who are receiving their degrees from Connors State College in a given year. At the commencement ceremony, the President of the college symbolically confers degrees on candidates. Attending commencement is not required to graduate from Connors State College or to receive your diploma; however, *you must apply for graduation to receive your diploma.* Only one commencement ceremony is held each year, which is held in May. All graduates from the previous summer and fall terms are invited to participate. The commencement participation deadline is completed when you apply for graduation. Nursing students participating in the Pinning Ceremony are encouraged to participate in the Commencement program.

Participation in the commencement ceremony does not constitute that the student has met all requirements for graduation. Students who have completed all, or who lack six or less credit hours (electives) with a 2.00 or better are eligible to participate in commencement. Students applying for May graduation and participating in commencement are only *candidates for graduation*.

Applying for Graduation. Each student must make application for his/her degree no later than the filing date specified in the academic calendar located on the website and in the class schedule. The application must be completed through the Office of Admissions, Warner/Muskogee along with a final degree check. An application fee of \$35.00 will be billed to your account for the first degree, and \$5.00 for a subsequent degree earned within the same term. Students must complete an application to graduate. There is a graduation application deadline. Missing the deadline may delay your graduation date to the summer term. Deadline information is printed in the class schedule.

Degrees are awarded at commencement exercises held at the end of the spring semester in May; however, the diploma and transcript will reflect the term in which all requirements were completed and will be mailed to the student's address listed on the Application for Graduation.

**About your diploma.** All official Connors State College dipomas are printed through an outside vendor. Dipomas **are not** distributed during the commencement cermony, but mailed to students that successfully completed the degree requirements with a 2.00 grade point average or better and after all financial and academic obligations are met. Diplomas are mailed *approximately*:
