EVALUATION OF MILITARY CREDIT

Connors State College does not automatically award military credit to students at enrollment. A military credential evaluation is optional and has no bearing on admission into *Connors State College*. However, after a degree-seeking student is at *Connors State College* and earned 12 hours, he or she may request that the military record be evaluated by the Registrar's Office. Credit is evaluated using the ACE Guide for evaluation of military credit (Army, Navy, Air Force, and Coast Guard). No credit will be awarded based on Military Occupancy Specialty (MOS) which has not held a primary duty assignment for a minimum duration of one year or more.

It is the responsibility of the student to provide the information below for evaluation. Evaluation will begin upon receipt of the following documents.

- (1) Military Training Evaluation
 - Send a copy of your DD-214 or a DD-295
- (2) MOS Evaluation Your current primary MOS can be reviewed for possible credit if you received an official evaluation within the last 12 months.

Students will not be certified for VA benefits after the first regular semester until the College's VA Certifying Officer has received the DD-214 and any other transcripts for evaluation.

Connors State College awards the credit listed below where appropriate to all veterans that have completed two years of active duty as verified by the veteran's DD-214.

HLTH 1113 Personal Health (3 credit hours)

PHED 1122 First Aid (2 credit hours)

Students will be given Advanced Standing credit and charged \$10.00 per credit hour for the above hours. Credit earned is designated on the transcript by the letter "P".

E-MAIL GUIDELINES

Your Connors' C-Key (campus email) is the primary means of communication with students accepted to Connors State College. Activate your Connors' e-mail account. This is how to communicate with CSC and your instructors. Your Connors student e-mail address (C-Key) serves as a critical component of our College's ability to communicate with you. Via this e-mail address, you will continually receive official CSC correspondence, updates, billing notification, emergency announcements as well as information concerning your enrollment in the Admission's Office. At the time of Admission and/or enrollment, you will be ask to provide the Admission's Office with your personal or alternate e-mail address to receive your PIN number and confirmation. Please ensure that the email address provided is a private and reliable address to which you, the applicant, will have access during the entire admissions process. In addition, this enables us to send assistance directly to you if you forget your password or become locked out of the system. It is very important to activate your account prior to enrollment so that you may receive these materials. Students should consider proper online etiquette as well as the Student Code of Conduct when writing and submitting email to instructors and other campus officials. Using profane or otherwise abusive language can have a negative impact on the student's standing in the course as well as CSC, and can possibly bring disciplinary action.

DEGREE PLANS - Degree plans will remain in effect provided the student has had <u>continuous</u> enrollment. Students who leave and then reenter will be subject to any new degree or general education requirements. Students should have two degree checks in the Admissions Office during their tenure. One at the 35 hour mark and one the semester prior to graduating. Only those degree checks performed in the Admissions Office will be considered for graduation.

DEGREE PLANS CURRENTLY ON FILE ARE VALID ONLY AS LONG AS A STUDENT IS CONTINUOUSLY ENROLLED

ACADEMIC FORGIVENESS POLICY - Students may repeat up to four classes (not to exceed 18 hours) of "D" or "F" grades and have only the last grade earned used in the calculation of the retention and graduation GPA. In certain circumstances, students may apply for an academic reprieve for up to two consecutive semesters of course work. Students must apply for academic renewal for removal of all previous coursework. If repeating a course, it is necessary to inform the Admission's Office. For more information regarding the Academic Forgiveness Policy, contact the Admission's Office or the CSC catalog.

ACADEMICALLY INELIGIBLE TO RE-ENROLL - If you enroll early and are found to be ineligible by admissions/enrollment standards, the Admission's Office will notify you and your enrollment will be canceled. Should you become academically ineligible and wish to appeal the decision, the first step in the appeal process is to submit a letter of appeal to the Vice President for Academic Affairs, Connors State College, Route 1, Box 1000, Warner, OK 74469 *immediately* for consideration for re-admission.

<u>CLASS SCHEDULE CHANGES</u> – Changes in schedule during the add/drop period will result in full charges for courses added and full refund for courses dropped. Refunds will not be made until after the defined add/drop period.

<u>COLLECTION COSTS</u> – Unpaid accounts may be assigned for collection. If an account is assigned, any collection costs, court costs, and/or attorney's fees owed will be added to the balance due. A hold will be placed on transcript records and future enrollment until the balance is paid in full.

Drop/Add/Withdraw Date Summary

The drop/add process begins with your academic advisor. The process for students desiring to *totally withdraw* from all classes begins in the Admissions Office, Warner/Muskogee. Students are considered still enrolled unless they complete the withdraw/drop process in the Admissions Office.

DON'T TAKE A CHANCE of having your GPA or academic record ruined. If, for any reason, you have enrolled and need to withdraw, contact the Office of Admission's, Gatlin Hall, (918) 463-6300, Muskogee West (918) 687-6747, Ext. 5403 or Port Campus (918) 684-5487 to properly withdraw from your classes. Withdrawals must be in person or in writing with a *Connors State College* student ID.

Please note: The last day to withdraw from a one-day class is 4:00 p.m. the day prior to the class meeting. i.e. one-day Saturday classes, 4:00 p.m. the Friday before the class meets. Students enrolled in one-day classes are responsible for class attendance. Reminders will not be mailed. Please see your academic advisor to start the process

Blended Classes

Blended classes combine conventional classroom meetings with independent study via the Internet and e-mail. Blended courses combine the benefits of face-to-face courses with that of online learning. Students spend less time in the classroom, and more time interacting through online communications technologies.

Students will communicate with instructors by e-mail or through Blackboard WebCT especially if enrolled in an online or blended course.

Distance Education – ITV

The (ITV) code in the course listing denotes distance education classes that Connors is sending or receiving via interactive video. Online courses, available through the Internet, are also included in the schedule. Information about enrolling in distance education classes from other Oklahoma colleges and universities may be obtained by contacting the **CSC Distance Education e-mail**cscdisted@connorsstate.edu. Students should carefully read each syllabus and identify e-mail guidelines that the instructor(s) may have concerning e-mail.

Internet Classes

Internet courses at *Connors* provide an alternative to those students who, for whatever reason, are unable to participate in traditional on-campus courses. Because these courses are delivered via the Internet, it is assumed that students enrolling in these classes:

- are self-motivated, self-directed, and able to meet deadlines.
- have access to a computer and the Internet and possess basic Internet skills.
- are familiar with the MS Windows environment including file/folder manipulation.
- have basic computer application skills and are familiar with a word processor.
- are capable of sending and receiving e-mail.

Specific computer requirements may vary from course to course. Please consult with the instructor.

A list of the Fall 2013 Internet classes that were scheduled at the time this schedule went to print can be found on page 12. Along with the assumptions listed above, please consider the following before enrolling in an online class.

- 1. Some of the classes have mandatory on-campus orientation sessions. You must contact your instructor **prior** to the orientation if the session conflicts with another class or orientation.
- 2. Some of the classes have online orientations. Students should e-mail their instructors for instructions.
- 3. Some of the courses have on-campus testing or activity requirements.
- 4. Many of our Instructors use Blackboard WebCT as a Course Management System. These are marked on page 12. Please contact CSC Distance Education via e-mail cscdisted@connorsstate.edu.

Students who enroll in Internet On-Line Courses are required to contact their instructor via e-mail. <u>If a student fails to contact the instructor or complete the orientation, he/she will not be allowed to participate in the course.</u>

Students should consider proper etiquette as well as the student code of conduct when writing and submitting e-mail to instructors and students. Using profane or otherwise abusive language can have a negative impact on the student's standing in the course as well as CSC, and can possibly bring disciplinary action.

Should you decide not to attend, you must cancel your enrollment in person or in writing to the Admissions Office by the deadlines as outlined in the "Important Dates" Fall 2013 calendar in this schedule.

What is the difference between graduation and commencement? **GRADUATION** is the term for completing your course of study at Connors and fulfilling all the requirements for your degree, as outlined on the degree plan.

COMMENCEMENT refers to the *ceremony* celebrating those who are receiving their degrees from Connors in a given year. At the Commencement ceremony, the President of the College symbolically confers degrees on candidates. Attending Commencement is not required to graduate from *Connors* or to receive your diploma; however, you must apply for graduation to receive your diploma. There is only one Commencement ceremony for the year, held in May. All graduates from the previous Summer and Fall term are invited to attend. The deadline to sign-up to participate in Commencement is at the time you complete your Application for Graduation. Nursing students participating in the Pinning Ceremony are encouraged to participate in the Commencement program also.

Participation in the commencement ceremony does not necessarily mean that the student has met all requirements for graduation. Students that have completed all, lack six or fewer credit hours (electives) with a 2.00 or better are eligible to participate in the commencement ceremony in May. Students applying for May graduation and participating in commencement are merely *candidates for graduation*.

Applying for Graduation. Each student must make application for his/her degree no later than the filing date specified in the Academic Calendar located on the website and in the class schedule. The application must be completed through the Office of Admissions, Warner/Muskogee along with a final degree check. An application fee of \$35.00 will be billed to your account for the first degree, and \$5.00 for a subsequent degree earned *within the same term.* Students must complete an application to graduate. *There is a graduation application deadline. Missing the deadline may delay your graduation date to the summer term. Deadline information is printed in the class schedule.*

Degrees are awarded at commencement exercises held at the end of the Fall semester in May; however, the diploma and transcript will reflect the term in which *all* requirements were completed and will be mailed to the student's address listed on the Application for Graduation.

About your diploma. All official *Connors State College* dipomas are printed through an outside vendor. Dipomas *are not* distributed during the commencement cermony, but mailed to students that successfully competed the degree requirements with a 2.00 grade point average or better and after all financial and academic obligations are met. Diplomas are mailed *according to the following schedule*:

May Graduation: Summer Graduation December Graduation 2nd week in August 2nd week in October 2nd week in March
