To Advisors, Leaders, Agents, and supporters,

Thank you for your continued support with this tremendous event. Without your assistance and time this contest would not be able to take place. We ask ***all teachers and leaders*** help in the tabulation of the contests; by doing so this will enhance the timeliness of results as well as establish additional credibility. As always, we welcome your suggestions and additional involvement for improving future of our interscholastic contests.

The results will be turned and posted in the Multi-purpose room on the south end of the field house. Awards may be picked up approximately 30 minutes after tabulation is completed from each contest. Teams and high individuals will be photographed. Any chapter group or team can be photographed.

The livestock judging awards and sweepstakes will be presented in the indoor arena between 2:30 and 3:30 p.m.

Results will be posted on the web on Friday, April 6th, 2012.

Thank you once again,

Debby Golden, Blake Nelson, Jake Lawson,
