

NURSING (AAS) MAJOR

Suggested Semester Plan of Study

This plan shows one possible grouping of courses that would allow students to graduate in a timely manner. Students are strongly encouraged to declare their degree plan before the end of their first year. Please refer to a degree plan in the course catalog for official requirements. Students must consult with Connors State College Academic Advisors and the Nursing Department to verify that courses selected each semester fulfill the recommended plan and satisfy CSC and degree plan requirements.

Fall Semester			Hours	Spring Semester			Hours
ENGL	1113	English Composition I	3	ENGL	1213	English Composition II	3

			Credit Hours:				
			12				
MINIMUM CREDIT HOURS:							72

**denotes that the student must be accepted into the program prior to enrolling in courses

PLEASE NOTE: Students who plan to transfer to a RN to BSN program after graduating from CSC Nursing will need to refer to the curriculum requirements for an Associate in Sciences (AS) in Nursing.

Graduation Requirements: The responsibility for satisfying all requirements for a degree rests with the student. Advisors, faculty members and administrators offer help to the student in meeting this responsibility. ***It is strongly recommended for students to enroll in a minimum of 15 hours each semester, and students should obtain a graduation check upon the completion of 30 credit hours.***

Minimum Hours for Graduation: Each degree program requires a specific minimum number of semester credit hours for graduation, as indicated in the college catalog. No student shall be permitted to graduate having completed fewer total hours than the requirement specified for that degree.
