*Students who take the national CLEP subject examination in Freshman College Composition must have the essay portion of the Exam (as well as the score report for the objective section) sent to the Registrar at Connors State College. The English Department will read and score the essay portion of the exam and determine a final score for the entire examination. Prospective students are advised the national numerical score from CLEP does not reflect the final score and will not be used to determine whether credit will be awarded.

¹ CSC does not have an equivalent course.
