

## **Connors State College COVID -19 Protocol 2021 Basketball Season**

Following NJCAA, and CDC guidelines Connors State College will follow the protocol listed below for fans for the 2021 men and women's basketball season:

- 1) The COVID -19 restricted capacity of the Melvin Self Fieldhouse is set at 300. Parents, students, faculty, and staff will be the priority for seating.
- 2) All fans must enter by the south door of the Melvin Self Fieldhouse. They will exit through the southwest door in the concession area.
- 3) Facemasks will be required at all times for those who enter.
- 4) Temperatures will be taken at the ticket booth. Individuals who have a temperature of 100.4 will have their temperature taken a second time. If their temperature registers 100.4 or higher a second time then they will be denied admission.
- 5) Areas inside the gym have been marked as to their restrictions. No individuals are allowed to sit in restricted areas.
- 6) All individuals must social distance unless they are a family unit.
- 7) The first four rows behind both benches are restricted areas and no one is allowed to sit in these areas.
- 8) The hallway is a restricted area and is marked accordingly. Only coaches, athletes, trainers, and officials are allowed in this area.

A separate set of guidelines is in place for athletes, coaches, officials, and the scorers' table. These guidelines are posted in the Melvin Self Fieldhouse and are shared with these respective groups.
