

The scholarship matchmaker

Going Merry is a free new platform that puts scholarship applications on autopilot.*

A tool for scholarships and grants.

Scholarship bundles - students can apply for multiple scholarships with a single application.

Personalized matching - once a student fills out a profile, we match them with scholarships.

Autofilled applications - we use the profile details to autofill applications and save time.

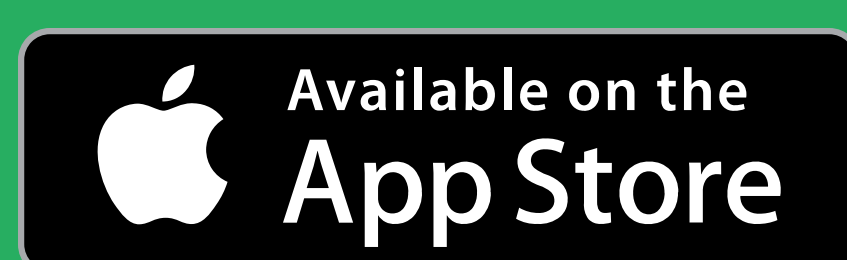

No third-party ads. No hidden fees - 100% ad-free. No fees of any kind.

Mobile-friendly app - students can apply anywhere, from their laptop, tablet, or phone.

No spam - We never sell personal information for advertising or marketing purposes.

Download the Going Merry App
Or visit goingmerry.com to get started

*Once the student profile is complete, Going Merry will match the student with scholarships that match their profile and automatically fill out all application information from the profile. The student must submit and edit applications.
