Answer the below questions

Questions from the Financial Aid Office ✕

Please answer the following mandatory questions to view your financial aid awards.

TITLE IV AUTHORIZATION

By answering **YES** to the Title IV authorization you give CSC permission to use your financial aid to pay **all** of the charges on your student account. If you say **NO**, only your tuition, fees, room and board will be paid. All other charges, such as textbooks, parking fees, ID cards, etc, will **not** be paid by your financial aid and **you** will be responsible for paying those charges **from your own funds**. Title IV funds include PELL, SEOG, and Federal Direct Student Loans.

PRIOR YEAR CHARGES

By answering **YES** to the Prior Year Charges, you give CSC permission to use your financial aid to pay up to \$200 of prior-year incidental charges on your account. If you answer **NO** those charges will not be paid and you will be responsible for paying those charges. If at the end of the aid year, your financial aid was not enough to cover all of your charges, you will be responsible for those charges. However, if the remaining balance is less than \$200 by selecting **YES you allow our office to pay for those charges in the next aid year**.

Terms and Conditions

You must agree to the terms and conditions of your award before your aid can be disbursed to your account.

Once you have read and accepted the Terms and Conditions, you may view your award on the Accept Award Offer Tab after you receive an award notification. I certify that I have read and understand all the information contained on the General Information, Award Overview tabs above. I will comply with all requests for additional information and/or documents in a timely manner. I will also familiarize myself with all policies listed on the CSC Financial Aid website i.e. Return of Title IV Policy, Satisfactory Academic Progress (SAP) Policy etc... All awards are based on full-time enrollment status. If not full-time at the time of disbursement, your awards will be decreased. Your disbursement will be based on your actual hours of enrollment as well as your actual housing arrangements at the end of the add/drop period (typically 2 weeks into the semester). If you do not begin attendance in all courses for which you are enrolled, or fail to receive a passing grade in all courses you may be required to repay all or a portion of the federal student aid/loans you receive. Awards are also subject to change based on final congressional funding appropriations. To receive student loans, undergraduates must be enrolled in at least 6 hours. Students must be degree seeking to be eligible for any federal student aid. Students are required to meet satisfactory academic progress and must not owe a federal grant repayment or be in default on a federal student loan to be eligible for federal student aid. CSC's Satisfactory Academic Progress Policy can be found on our website. Disbursements to students CSC accounts will be within the first 30 days of the semester for those students who have completed all requirements.

I acknowledge these terms and conditions.
