Date By Which The Project Will Be Completed:

**Generally projects require 4 weeks to process and be indicated on a student's transcript, be aware of this, especially if the student is in their final semester before graduation.

Summarized Description of the Proposed Project and Topic:

--

The following information is the general requirements of the project, consult your faculty member or the Honors Coordinator before making any changes.

Specific Criteria of the Project:

- Research and properly cite (in text and in a works cited/bibliography page) at least 5 different academically credible sources.
- Draw upon the research and prepare a 1500 word essay. In addition, provide a cover page and a works cited/bibliography page.
- Essays should be in double-spaced, use 12 point arial or times new roman font and have 1 inch margins.
- The paper must follow MLA, APA, Chicago or other recognized style guidelines.

Rubric for Evaluating the Project:

- Student met the criteria as outlined in item #1 of the honors project contract.
- Student claims are supported by academically credible sources or appropriate details.
- Student presents information about the topic in a deliberate and organized manner, demonstrating an understanding of the topic.
- Student provides information that is logical and exhibits creative, original and/or insightful thought and/or research.
