- Student Self-Enrolled
- Registrar's Office Enrolled

**By completing this registration, the student is agreeing to the following statements:**

I understand that enrollment at Connors State College constitutes a contractual financial obligation to pay all charges incurred on my behalf. I understand my financial obligations are due by the first day of each semester and if not paid and/or payment plan is not secured by this date, I will be subject to collection immediately. I promise to pay Connors State College all charges on my student account by the due date. Connors State College may also apply up to \$200.00 of federal financial aid that exceeds current year charges toward the prior year's balance on my account with the college. If I should default on my account, I agree to pay all finance charges and costs, including collection agency costs, attorney fees, and litigation cost, incurred by Connors State College in efforts to collect. I understand all unpaid charges may be subject to credit bureau reporting and/or state income tax attachments. If I am unable to attend Connors State College for any reason, I understand that I must officially drop within the published drop/add period to avoid financial obligation or a grade liability. I understand that transcript and registration holds are placed on unpaid accounts.

---

Connors State College promptly and thoroughly investigates and resolves complaints alleging sexual discrimination, sexual harassment, and sexual violence, including sexual assault, stalking, dating violence, and domestic violence. Connors State College's policies and resources related to these issues, as well as an online complaint form and an overview of the complaint process, can be found online at [connorsstate.edu](http://connorsstate.edu) or by contacting the college's Title IX Coordinator at 918.463.6206. I acknowledge that I have received information related to the Violence against Women Act and Title IX.

---

Your eligibility might be suspended if a drug offense occurs while you are receiving federal student aid (grants, loans, or work-study). When you complete the FAFSA, you will be asked whether you had a drug conviction for an offense that occurred while you were receiving federal student aid. If the answer is yes, you will be provided a worksheet to help you determine whether your conviction affects your eligibility for federal student aid. If you are convicted of a drug-related offense after you submit the FAFSA, you might lose eligibility for federal student aid and you might be liable for returning any financial aid you received during a period of ineligibility. I acknowledge that I have received information related to the way that drug convictions can affect my federal financial aid eligibility.
