**Date By Which The Project Will Be Completed:**

\*\*Generally projects require 4 weeks to process and be indicated on a student's transcript, be aware of this, especially if the student is in their final semester before graduation.

**Summarized Description of the Proposed Project and Topic:**

--

**The following information is the general requirements of the project, consult your faculty member or the Honors Coordinator before making any changes.**

**Specific Criteria of the Project:**

- Presentations must be at least 10-20 minutes in length.
- A visual element must be included (ie. photograph, Prezi/PowerPoint, handout).
- One page annotated bibliography of at least 5 different academically credible sources drawn upon to create the presentation. Use MLA, APA, Chicago or other appropriate style guide for all citations within this summary.

**Rubric for Evaluating the Project:**

- Student met the criteria as outlined in item #1 of the honors project contract.
- Student claims are supported by academically credible sources or appropriate details.
- Student presents information about the topic in a deliberate and organized manner, demonstrating an understanding of the topic.
- Student provides information that is logical and exhibits creative, original and/or insightful thought and/or research.
