Date By Which The Project Will Be Completed:

**Generally projects require 4 weeks to process and be indicated on a student's transcript, be aware of this, especially if the student is in their final semester before graduation.

Summarized Description of the Proposed Project and Topic:

--

The following information is the general requirements of the project, consult your faculty member or the Honors Coordinator before making any changes.

Specific Criteria of the Project:

- Create a PowerPoint or Prezi with at least 20 slides.
- Presentations must include at least 3 images or graphics that aid in clearly communicating the information. Be sure to cite images as appropriate.
- In addition to citation of images, presentations must contain at least 5 different citations from academically credible sources.
- All citations must appear as the information is used within the slide presentation, as well as at the end on a final slide with the bibliography/works cited information. Use MLA, APA, Chicago or other appropriate style guide for all citations.

Rubric for Evaluating the Project:

- Student met the criteria as outlined in item #1 of the honors project contract.
- Student claims are supported by academically credible sources or appropriate details.
- Student presents information about the topic in a deliberate and organized manner, demonstrating an understanding of the topic.
- Student provides information that is logical and exhibits creative, original and/or insightful thought and/or research.
