

ANIMAL SCIENCE

Semester Plan of Study

This plan shows one possible grouping of courses in Fall and Spring semesters that would allow students to graduate in 2 years with an Associate of Science in Agriculture with a focus in Animal Science. Students are strongly encouraged to declare their degree plan before the end of their first year. Please refer to a degree plan in the course catalog for official requirements. Students must consult with Connors State College Student Success Coaches to verify that courses selected each semester fulfill the recommended plan and satisfy Connors State College and degree plan requirements.

First Semester				Hours	Second Semester				Hours
MATH	1513	PreCalculus Algebra, OR <i>any course designated (A)</i>		3	ENGL	1213	English Composition II		3

				15-16					14
MINIMUM CREDIT HOURS:									60

Graduation Requirements: Students are responsible for adhering to all policies, procedures, and regulations of Connors State College, including the responsibility for meeting all graduation requirements and for checking their degree check for accuracy. Student Success Coaches and faculty members may not substitute, waive or exempt students from any established requirement or academic standard. While these advisors make every effort to provide accurate and current information, all advising information regarding coursework, academic progress, and graduation is considered unofficial. The Connors State Registrar's office is the official and final authority for all program, degree, and graduation requirements. ***It is strongly recommended for students to enroll in a minimum of 15 hours each semester, and students should obtain a graduation check upon the completion of 30 credit hours.***

Minimum Hours for Graduation: Each degree program requires a specific minimum number of semester credit hours for graduation, as indicated in the college catalog. No student shall be permitted to graduate having completed fewer total hours than the requirement specified for that degree.

Grade-Point Average for Graduation: A retention/graduation grade point average of 2.00 or higher is required for all courses in which a student has a recorded grade, excluding any courses repeated or reprieved and excluding remedial courses and physical education activity courses.
