

Connors State College

International Student Admissions Documentation Packet

Dear Student,

Hello from Connors State College! This document is for students who will study at Connors State College on an F-1 visa. To study on an F-1 visa, you must receive a Form I-20 from us. Before Connors State can issue you an I-20, we must certify your financial ability to study in the U.S. as required by the U.S. Department of Homeland Security.

You will need to demonstrate that you have the funds to cover at least one full academic year of expenses, which we currently estimate to be approximately \$18,500 USD (for residential students), minus any scholarships or tuition waivers you receive.

- **For new students:** If you have never studied in the U.S., or if you have not studied in the U.S. in the past five months, we will establish a new Student and Exchange Visitor Information System (SEVIS) record for you in the U.S. government database. This is where we will create your Form I-20.
- **For transfer students:** If you currently hold an F-1 visa and are studying at another U.S. institution (such as a college, high school, or language program), you will need to complete a SEVIS Transfer In Form. This form should be completed with assistance from your current school so that your SEVIS record can be transferred to Connors State College. After that, we will be able to issue your new Form I-20.

Enclosed in this application packet, you will find all the information and forms needed to obtain your Connors State College Form I-20 and apply for your F-1 visa. Please review the entire packet carefully. If you have any questions or need further assistance, do not hesitate to contact us.

We look forward to working with you and supporting your academic journey at Connors State College!

Sincerely,

Frequently Asked Questions (FAQ) for F-1 Visa Students

1. What is a Form I-20, and why do I need one?

A Form I-20 is an official government document issued by Connors State College that certifies a student's eligibility for F-1 student status. This form is essential for international students planning to study in the U.S. on an F-1 visa. The Form I-20 confirms that:

- You meet our admissions requirements and have been accepted into a program.
- You will be enrolled as a full-time student during each semester of study.
- You have demonstrated the financial ability to support yourself during your time in the U.S., as required by U.S. law.

The Form I-20 includes details about your study program, such as the level and field of study, start and end dates, and your financial capacity to cover educational expenses. Once we receive and review your required documents, we will send the Form I-20 to you by email. You can then print it out and use it to apply for your F-1 visa, which requires scheduling an interview at a U.S. consulate or embassy in your home country.

For more information, visit [What is the Form I-20?](#).

2. Do all international students need a Form I-20?

Not all international students need an I-20. If you hold a different nonimmigrant status in the U.S. that allows you to study, you may not require an I-20. For example, dependent children with E, H, I, J, L, M, N, O, P, R, or S status can attend school but will need to change status once they turn 21. F-2 dependents who wish to study full-time must obtain a Form I-20 and change their status to F-1. If you have questions about your specific status, please email us for guidance.

3. What financial documents are required for F-1 students?

To receive your Form I-20, you must provide:

- A completed Certificate of Financial Responsibility.
- A bank statement in your family or sponsor's name, showing sufficient funds to cover at least one academic year of expenses (approximately \$18,500 USD for residential students), minus any scholarships or financial aid.

4. How do I obtain an F-1 visa?

- If you already have an unexpired F-1 visa from another U.S. school, you may not need to apply for a new one. Please submit a copy of your current F-1 visa to Mr. Newfield at blane.newfield@connorsstate.edu for verification.

- Canadian students do not need an F-1 visa but do require a Form I-20.

When we send your Form I-20, we will include detailed instructions on applying for an F-1 visa. Here's an overview of the process:

- **Passport:** Ensure you have a valid passport. It must be valid for at least six months into the future. Keep track of its expiration date and renew it as needed.
- **Visa Application:** Schedule a visa appointment at the nearest U.S. embassy or consulate in your home country as soon as possible. For information on visa processing and required documents, visit [Visa Interview Preparation](#).
- **SEVIS Fee:** New F-1 students without a previous SEVIS account must pay a \$350 SEVIS fee before applying for a visa. For payment options, visit [SEVIS I-901 Fee](#).
- **Required Documents:** Bring your passport, Form I-20, acceptance letter from Connors State College, proof of financial support, and evidence of ties to your home country to your visa appointment. For more information, check [Student Visa Overview](#).

5. What should I expect during the visa interview?

- **Proof of Financial Support:** You must show you have sufficient funds to cover your stay in the U.S. Connors State College requires proof of at least one year of funding, but it is advisable to provide additional evidence that funds will be available throughout your studies (e.g., salary statements or letters from your sponsor's employer).
- **Ties to Home Country:** You need to demonstrate strong ties to your home country to assure the Consular Officer that you plan to return after completing your studies. Visa applications may be denied if the Officer suspects you intend to stay in the U.S. permanently.

Always review the specific visa application instructions on the website of the U.S. embassy or consulate where you will apply, as additional documents may be requested. For more tips, see [Preparing for Your Visa Interview](#).

If you have further questions, please feel free to contact us. We look forward to helping you with your journey to Connors State College!

SEVIS TRANSFER-OUT FORM

This document is for the purpose of transferring your CURRENT SEVIS record from Connors State College to your next institution. ONLY complete this form if you have an active SEVIS record.

Your transfer-out request must be submitted within 60 days of your last date of attendance at Connors State College. You can only transfer your SEVIS record to another school if the program start date at the new institution is within 5 months of your last day at Connors State.

All financial obligations to Connors State must be settled before your transfer request can be processed. Please email the completed transfer form, along with scanned copies of your I-94 record and admission letter from the new school, to tosha.stout@connorsstate.edu. Allow up to 5 business days for processing.

Once your SEVIS record is released, your Connors State College I-20 will no longer be valid for U.S. travel. If you plan to travel outside the U.S. after the record release, you must have your new I-20 from the new school to reenter the country. Make sure to inform your new school of any travel plans.
