

**The Report on Athletic Program Participation
Rates and Financial Support Data
(EADA Report)
2023-24**

Introduction

The Equity in Athletics Disclosure Act (EADA) Survey is a report that Connors State College is required to make available to students, prospective students and the public in easily accessible places in order to comply with United States Department of Education regulations. The EADA reports the institutions commitment to providing equitable athletic opportunities for its men and women students. All institutions of higher education that participate in federal student aid program(s) must complete an annual EADA report.

After the data has been reviewed and approved by the Department of Education, complete Survey results will be available on the Department of Education's EADA website. That site can be accessed by clicking [here](#).

Connors State College will provide a paper copy of the report upon request.
