

# CSC Bull Sale

## Terms and Conditions

**Time:** Sale will begin at 1:00p.m., December 5, 2024. Each animal, on which there are two or more bids, will be sold to the highest bidder.

**Location:** CSC Sale Facility, Warner, OK

**Terms:** The terms of sale are **Cash or Check**.

**Disputes:** The Auctioneer will settle any and all disputes as to bids by declaring all bids off and reselling the animal in question.

**Handling:** Each animal will be at purchaser's risk as soon as sold, but will be cared for until they are loaded, free of charge to the purchaser, but at the risk of loss or injury.

**Certificates:** A certificate of registry and transfer will be furnished for each animal sold, with the exception of the composite bulls.

**Breeding Guarantee:** All bulls have been semen checked by a licensed veterinarian and determined to have satisfactory semen. All bulls are sold as guaranteed breeders, if properly cared for. Any bull that settles at least one-third of healthy cows he breeds will be considered a breeder. If any bull fails to breed, it may be returned to the farm of the seller at the buyer's expense and, if in good condition and complying with the health requirements of the seller's state, shall entitle the buyer to a satisfactory adjustment. If a bull is a non-breeder, the seller shall be entitled to six months following the return of the animal in which to demonstrate that he is a breeder. A full refund of purchase price is considered a satisfactory adjustment if the buyer and seller cannot agree on a satisfactory replacement. All claims must be made within 6 months of sale.

**Announcements:** Announcements from the Auction Box will take precedence over the printed matter in this catalog.

**Liability:** All persons who attend the sale do so at their own risk. Connors State College assumes no liability, legal or otherwise, for any accidents which may occur.

**Contract:** The above terms and guarantee shall constitute a contract between the buyer and the seller on each animal sold. All bulls are the property of the consignor, not the college, and Connors State College acts only as an agent in conducting the bull test and sale.

**Health:** Interstate health papers will be provided.

**Bull Test Veterinarian:**  
Dr. Kevin Fenton  
(918)839-5462

# Glossary

**BW:** Actual birth weight as reported by the breeder

**WW:** Weaning weight as reported by the breeder

**EPDs:** Expected Progeny Differences are estimates of the expected difference in performance of the offspring of an individual for a specific trait. EPDs are expressed in the unit that the trait is measured. The difference between two [EPDs](#) from two different animals would tell you on average the expected difference between their offspring.

**% :** Percentage of blood. PB = Purebred

**H/P/S** H = Horned, P = Polled, S = Scurred

**REA:** Ribeye area expressed in inches squared as determined by ultrasound scan.

**BF:** Backfat as measured in inches by ultrasound scan between the 12<sup>th</sup> and 13<sup>th</sup> rib.

**% IMF:** Percentage of intramuscular fat (marbling). As a rule, bulls are leaner than steers. To think in terms of steer offspring, add 1 – 1.5% IMF to the bull data.

<u>Steer Grade</u>	<u>% IMF</u>
No roll	less than 3%
Select	3-5%
Choice	6-8%

**Final Weight:** Final weight at conclusion of 112-day test period.

**ADG:** Average Daily Gain during the 112-day test.

**WDA:** Weight per Day of Age

**Scrotal Circumference (SC):** A bull's yearling scrotal circumference provides an indication of his ability to produce sperm and is related to his own age at puberty and that of his daughters. Scrotal Circumference is measured in centimeters.
